RE: ADM File No. 2003-04

Dear Mr. Davis,

This letter is being forward to your office to address my disapproval of the changes regarding MCR 6500, et seq. That was printed in the Criminal Defense Newsletter 2004.

I disagree with the proposed changes of MCR 6500 for the following reasons; (1) Under the Proposed new standard for entitled for relief, a defendant must demonstrate that the complained-of error(s) was an irregularity so offensive as to seriously affect the fundamental fairness, integrity, or public reputation or judicial proceedings; (2) the 25 page limit; (3) the one year filing limit.

I already find it extremely difficult being a layman to the law to overcome the current criteria for relief. And with these proposed changes it will be even harder & a bigger burden that I will have to overcome.

I ask that this Honorable Court to seriously consider the detriment effects that this proposed changes of MCR 6500 will have on defendants in pro per.

Thank You for your time & patients in addressing this matter.

Cordially,

Mr. Leander Foster Bey
